1. Minutes of March 13, 2024 were approved.
2. Deeds Seventeen (17) were signed.
3. Bid for columbarium pathway was closed on April 4, 2024. No word yet and who was awarded the contract. Michele would like to see done by Memorial Day.
4. Cemetery mapping has still not been done by engineering. Dan will reach out to engineering.
5. Old Burying Ground; Michele and Mike Rademacher met with George Parsons to discuss the site of the British monument. Tree stump may have to be removed. Monument will be ready late June/July. Foundation will be near a slope and be done by Town. There is a broken stone there and several monuments need a cleaning, hopefully done by Memorial Day. Michele will reach out to Kevin Duffy to see if he has a recommendation for repair and restoration of stones.

7. Water spigots will be turned on soon.
8. Landscaping scheduled to start in a few weeks.

Next meeting scheduled will be  
May 8, 2024

Respectfully submitted
